Over the past 17 years, the local chapter is proud to announce it has awarded over \$40,000.00 in scholarships to local students who attend local colleges and universities. This success is a result of local corporate sponsorship who take great pride in the community and share our goal to develop the organization, its' programs and students. Many of these outstanding students have moved on to serve the community positively in both private and public sector security and law enforcement positions.
