

# SAVE THE DATE

**For the most engaging safety and security conference of 2020!**

**Wednesday April 29th, 2020**

**Hotel Henry Urban Resort Conference Center**

**Buffalo, New York 14216**

**Who should attend:** Healthcare Facility Managers, Security Directors, Human Resource Managers, House of Worship Directors, Safety Directors, Manufacturing Professionals, University Presidents, School Superintendents, Business Owners.

**Inspiration. Insight. Influence.**

CIMAS is a day of inspiring, innovative discussions from world-class speakers on the most relevant and daunting challenges facing the emergency and security fields.

Attendees are offered key strategies and hands-on introductions to the latest technologies for handling risk, modernizing crisis management and security options, and optimizing performance under existing/emerging emergency programs.

CIMAS is sponsored in part by Forseti Protection Group and Interactive Safety Services . They will take the stage together to share their experiences but to also bring other professionals sharing the latest in crisis management and security protection.
